The failure of either Party to insist upon or enforce performance by the other Party of any provision of this Agreement, or to exercise any right or remedy under this Agreement or otherwise by law, will not be construed as a waiver or relinquishment of such Party's right to assert or rely upon the provision, right, or remedy in that or any other instance; rather the provision, right or remedy will be and remain in full force and effect. In the event of any conflicts between this Agreement and your Reseller Agreement, the Reseller Agreement shall govern and control.
